

# **A MESSAGE FROM THE JOINT WORSHIP COMMITTEE (JWC)**

When the JWC first met, one of our tasks was to recommend a schedule for services. We looked at options and decided that for simplicity and clarity, meeting one month at CUC and the next at SSUC was the best option. We put this forward to the Joint Steering Committee and that was agreed upon, with one amendment.

In order to ensure fairness, after one year, we would flip the schedule to ensure that each congregation has the opportunity to host Easter and Christmas services.

We meet this December at SSUC. We will meet again in January at SSUC and return to CUC in February 2019. Chalmers will host in April (Easter) and December (Christmas) 2019.
