

**Mystery Dinners - We invite you to participate!
How does it work?**

Three delightful evenings await: you will be invited twice for a dinner, along with 2 more guests, and cook one dinner for 4 guests at your house. That means usually 6 people attending every dinner: the hosts, and 2 sets of guests.

Where will you be going?
Who will come to your house?
What do you get to eat?
It's a secret until everyone arrives,
and then the mystery ends
and the fun begins!

Sign up with your partner, friend, family member, a Queen's student, or sign up alone and we'll pair you up with someone.
If you can't attend all of the dinners, or don't feel comfortable hosting a dinner, don't let that stop you from participating. Simply indicate this on the form, and we'll work something out.
