Come and Learn – Come and Share

Places of faith anchor and shape our communities. Yet many congregations are facing declining attendance and insufficient funding to maintain and operate their historic buildings. These important community assets are in a period of transition, and the Eastern Ontario area is no exception.

Join us at this unique event where local faith groups, heritage and community organizations will share their experience, concerns, creative solutions and hope to the challenges confronting places of faith in *Eastern Ontario* in an interactive and engaging format.

Speakers/workshop leaders include:

Robert Pajot - National Trust

Kendra Fry - Faith and the Common Good & National Trust

Tricia Baldwin – Director, Isabel Bader Centre for the Performing Arts, Queen's University

Carla Leon – EDGE, United Church of Canada

Workshops – architectural/zoning/building issues, fundraising, sharing your building for fun and profit, rural strategies, governance models, heritage building tour, shared workspace tour and more
