SONG

Good Lovelies, Sounds of the Next Generation, at The Spire.

All come together on **Saturday, Oct. 5, 7:30 pm** at 82 Sydenham St., Kingston. It's a unique singing and community-building experience. We're hoping that you can join us in the audience or on the Spire stage.

Here's our October 5th scenario:

A Good Lovelies concert at The Spire with a special twist!

Many come to enjoy the concert, others get to join in.

On stage at 7:30pm, the concert opens with:

The children's choir Sounds of the Next Generation, visiting from Cobourg. Then come **Good Lovelies** with their signature sound, performing popular favourites.

Later, a crowd of local singers who rehearsed all afternoon join the wonderful **Good Lovelies** on stage, performing 3 of their pieces with gusto and charm. All part of this extraordinary Good Lovelies concert.

Singing with a professional band is a dream come true for many amateur singers. Come and join the fun as a chorister or audience member. Choristers must have a ticket and register by Sept 30 with Ellie Deir deire@queensu.ca.
