

# SYDENHAM STREET AND CHALMERS UNITED STAR GIFTS 2019

Make a Star Gift and a bright "Gift Star" will be hung from the balcony, gracing the sanctuary over the Advent and Christmas season.

In making your gift, you may honour a special person or event, or make an expression of gratitude, while helping Sydenham Street United meet its annual budget.

The amount of your 'extra givings' Star Gift is up to you, and you will receive a charitable tax receipt for the full amount of your gift, at year's end.

To make your Star Gift, fill out a form (at the back in the Narthex) and enclose it, along with your gift, in the envelope provided. Place the envelope in the collection plate or leave it at either church office.
