Helping the Crisis in Ukraine

Some of you have asked, how you can help.
If you'd like to donate, here are two options.

UNICEF Canada: Children's Charity

YOUR GIFT TO UNICEF'S UKRAINE

EMERGENCY FUND WILL BE MATCHED to help reach even more children and families in Ukraine with urgent humanitarian aid. The war in Ukraine is a threat to the lives and well-being of the country's 7.5 million children.

Homes, schools and water treatment facilities are being damaged, and hundreds of thousands of families are being displaced.

Children need immediate protection. Please donate now and an anonymous donor will match your donation up to \$250,000.

Your donation today will support UNICEF's ongoing response to the war in Ukraine by providing communities with:

- Safe water and sanitation supplies
- Urgent medical aid and healthcare services
- Child protection including psychosocial care
- Education supplies

UNICEF has been responding to the conflict in Ukraine since 2014 supporting children and families. We have expertise in responding to humanitarian emergencies in conflict zones, and have staff, field offices and partners across the country. We will continue to prioritize those in need.

Give today to help provide emergency assistance to children and their families in Ukraine.

The United Church of Canada

The invasion of Ukraine is costing precious lives and creating a humanitarian crisis as people flee to safety. The United Nations reports that a growing number of over a million people, displaced from their homes, are seeking refuge in neighbouring countries. Many have lost friends, loved ones, and property; struggle to meet their basic needs, and face an uncertain future. **United Church Mission & Service partners are responding to the rapidly unfolding crisis. You can help. People urgently need shelter, clean water, food, and medical attention.**
